Letter from the President

Dear PennAEYC/NAEYC members,

With the changing of the seasons comes some exciting changes to our membership process. As CAAEYC members, you have also been members of our state affiliate, PennAEYC, and our national organization, the National Association for the Education of Young Children (NAEYC). Our relationship has become even stronger with these two levels of the NAEYC organization. We are now a Chapter organization enjoying an even stronger direct tie with PennAEYC. I am happy to announce that our name is now the Capital Area Chapter of PennAEYC. Our website address is now: www.cacpennaeyc.org. What won't be changing is our commitment to you. We will continue to provide the many services you have enjoyed: Scholarship funding, our Annual Early Childhood Conference, Pediatric First Aid training at a reduced cost, the Innovation Grant and other special programs offered throughout the year. PennAEYC and NAEYC membership is new and improved in many ways with increased member benefits that include; ECE resources, professional development opportunities, as well as state and national advocacy efforts. For example, there is now a Group Membership option for child care programs, schools and other EC organizations. Go to www.naeyc.org for more information on these membership options and to renew your membership.

Be sure to mark on your calendars NAEYC's 2017 Annual Conference, which will be held on Nov. 15-18 at Atlanta, Georgia. Check out the NAEYC website at www.naeyc.org for more information and to register for the conference.

Enjoy the autumn season and all its festivities,

Kathy Stennett,
Capital Area Chapter of PennAEYC President

Capital Area Chapter of PennAEYC is forming a director/leadership cohort, and we'd love for you to be a part of it! The mission of the cohort is to bring a selected group of leaders together that have a passion for the early childhood field, and ultimately want to make a difference. The cohort will meet four times, each time navigating topics derived from the cohort members. Participants will gain deeper levels of understanding around early childhood initiatives, issues, and the future of the field. If you are a leader in ECE, or know a leader in ECE, we encourage you or a colleague to submit an application. If you have any questions about the cohort process, feel free to reach out!

Pennsylvania Association for the
Education of Young Children

The purpose of the Capital Area Chapter of PennAEYC is to enhance the lives of young children by providing support for adults working with or on behalf young children. Our organization expresses its mission in three broad goals. We facilitate improvements in the professional practice of early childhood development and education, we increase public understanding and support for high quality programs for young children and their families, and we foster collaboration and building a cohesive community early childhood professionals.

Support for NAEYC Accreditation

Did you know that NAEYC has been accrediting early childhood programs for over 30 years? Accredited programs have met NAEYC's ten standards for high-quality early childhood education. These programs have demonstrated that they provide a safe and healthy environment for children, have teachers who are well-trained, have access to excellent teaching materials, and work with a curriculum that is appropriately challenging and developmentally sound.

As your local affiliate of NAEYC, the Capital Area Chapter of PennAEYC offers financial support to centers interested in going through the NAEYC accreditation process. For 2017, the Capital Area Chapter of PennAEYC is providing a grant to local programs to cover one half of all accreditation fees paid within the year. For more information about accreditation and the grant application, go to www.cacpennaeyc.org and click on the accreditation link, or contact Bev Goodling, the Capital Area Chapter of PennAEYC accreditation chair, at bgoodli2@messiah.edu or Michelle Verbecken at michelle.verbecken@gmail.com.

Support is also available from the Capital Area Chapter of PennAEYC for the National Association for Family Child Care (NAFCC) accreditation for family day care Homes. Usha Ramamurthy, a family day care home provider is available at ushal834@hotmail.com to answer questions about NAFCC accreditation. This grant application is also found on the Capital Area Chapter of PennAEYC website at www.cacpennaeyc.org.

“The Peaceful Playground”

Creating a space where school-agers can thrive and explore...and even take simple risks outdoor, was the goal! Making sure the children are part of the transformation that ultimately allowed them to respect and value their space was the added bonus.

"Children need the freedom & time to play.
Play is not a luxury. Play is a necessity."
